

Contributor's Publishing Agreement
Revista del CESLA. International Latin American Studies Review

Title of Article: _____

Contributor Name: _____

The editors of the *Revista del CESLA: International Latin American Studies Review* (hereafter "Publisher") agree to publish the aforementioned article, as well as any accompanying abstract and supplemental material (collectively referenced as "Contribution") in a forthcoming issue of the journal, provided that all the authors of the Contribution sign and return a separate copy of this Agreement, thus indicating that they agree to the terms stated below.

1. The Contributor warrants that the Contribution:
 - a) is an original work;
 - b) does not infringe any copyright or other proprietary right;
 - c) has not been previously published in whole or partly;
 - d) has not been submitted for evaluation to any other publisher;
 - e) shall not be submitted for publication elsewhere without the written consent of the Publisher.
2. The Contributor warrants that:
 - a) she or he holds the rights to publish the work;
 - b) if the Contribution includes any material from other copyrighted sources, all the necessary permissions are attached to the present Agreement.
3. By submitting the essay, the Contributor agrees to transfer the rights to publish the Contribution in any binding or medium to Publisher. These media may include being placed on the Internet website of the Publisher and/or hosted on information services such as EBSCO Host and research bases, such as ResearchGate or Academia, or any scientific journal base the Publisher has already been included in or shall join in the future.
4. The Contributor agrees to conform to Publisher's submission guidelines and to liaise with the volume editor to ensure that the requirements of these guidelines are fulfilled.
5. The Contributor gives hereby consent for the Publisher's use of his/her personal data provided with the essay submission for the journal's use only, according to the journal's Privacy Policy.
6. The Contributor agrees that, if accepted for publication, the Contribution will be published under a [Creative Commons Attribution-ShareAlike 4.0 International license \(CC BY-SA 4.0\)](#).
7. If the Contribution is the result of research funded by any institution(s), such institution(s) should be listed below:
